Cost of membership is $20 per household. Membership entitles one to the quarterly publication "Footprints in Williamson County", reduced copy costs and free queries to paid members. The WCHS research library/museum is open to the public Mon-Fri, 9:30-3:00, Sat 10:00-1:00, March-November. We mail using bulk mail. The post office does not forward, return, or hold bulk mail, so advise us of any address changes ASAP or we will have to charge to replace any misdirected quarterlies. We accept any monetary donations, historical or genealogical books, family files and histories or office supplies. A bookstore is open at WCHS for pick-ups and we mail any pre-paid orders. WCHS does research for others. The charge is $10 per hour plus copying costs and any postage. Please consider volunteering at the WCHS. We are keepers of the past for the future of Williamson County history.
